

EXCITING LEADERSHIP PRESENTATION OCT 12, 2022

Science of Belonging Appreciating Staff Retention Featuring Dr. Rumeet Billan

Research has consistently shown that when employees feel that they belong, they will perform better and experience higher levels of commitment, engagement, and well-being.

Live Session

9:30-11am CST / 10:30-1pm EST

Recorded Session

6:30-8pm CST / 7:30-9pm EST

Dr. Billan is the President and CEO of Viewpoint Leadership and an expert on Psychological Capital. She completed her PhD at the University of Toronto and has designed and facilitated programs, courses, and training sessions across industries and sectors. She has led a number of research studies with her latest one focused on Belonging in the Workplace.
