

MCFN Indigenous-Led EarlyON

What Is Indigenous-Led EarlyON?

EarlyON provides free programs and resources for parents, caregivers and young children. EarlyON Child and Family Centres provide a friendly environment for positive learning and enhancing child development through a wide range of quality programs and services that offer support to parents & caregivers, and connect families to community services. The Indigenous-Led MCFN EarlyON combines all aspects of the EarlyON as well as providing access to culturally-relevant programs and services for both non-Indigenous and Indigenous families in the community. We strive to foster an Indigenous identity and share our Anishinaabe worldview through culture, language and community.
