

IGNITING THE FIRE WITHIN

3rd Annual Leadership Symposium

WITH DEBBI SLUYS

Debbi is founder of Dare to Declare™, a coach, trainer, author and speaker who specializes in helping people expand their brain's potential to see what is possible for their future with Vision boards. As a former Child Care Director, Debbi has studied personal development for over 30 years and has facilitated and witnessed science at work by guiding thousands of clients to identify and declare their Vision both online and in-person at workshops and retreats.

VISION WITH PURPOSE

This full-day workshop is more than just cutting and pasting — it's a powerful experience designed to help individuals gain clarity on what they want, why they want it, and how to move toward it with intention. Using mindset tools backed by neuroscience, Debbi guides participants through reflection, visualization, and declaration. The process builds focus, confidence, and momentum, while encouraging creativity and connection. Participants leave with a meaningful vision board — and greater clarity, joy, and alignment in all areas of life.
