## The Outdoor Classroom: Spring into Summer

**Wednesday, May 6**  
**5:30–7:00 pm CDT**  
**6:30–8:00 pm EDT**

### **Group Facilitator: Monica Carruthers**

The Outdoor Classroom is where the rest of the learning happens. Let's talk about the importance of outdoor learning and explore some ideas for Spring and Summer. Since working in Child Care, EarlyON, Co-operative Preschool, and having been a Resource Teacher in both Hamilton and Windsor, Monica has come to realize the importance of the connection between children, educators and families to nature and natural elements.

**Educators working in on  
reserve child care & child  
and family programs are  
invited to attend.**
